and containers at cost

# Foreword

## TO THE TRADE:

The L. D. Waller Seed Company devotes itself entirely to the production of HIGH GRADE FLOWER SEEDS, SWEET PEAS and NASTURTIUMS and is justly proud of the high reputation of its stocks.

We are devoting more time and attention to trueing up and perfecting our strains of Flower Seeds than any other grower; and each season are able to introduce several NOVELTIES of merit.

The TRADE is cordially invited to visit our ranches and experimental grounds when in California and personally acquaint themselves with the quality of our strains and our advanced methods of growing.

We are prepared to grow from customers stocks and pay particular attention to that branch.

We take this opportunity to thank our patrons for their generous support in the past and will do our utmost to merit their continuance.

AWARDED SILVER GILT MEDAL OF THE NATIONAL SWEET PEA SOCIETY OF GREAT BRITAIN AT THE EXHIBITION OF THE AMERICAN SWEET PEA SOCIETY HELD AT THE PANAMA PACIFIC EXPOSITION, SAN FRANCISCO, JUNE 11, 1915, FOR DISPLAY OF SPENCER SWEET PEAS.

## NOVELTIES

### Novelties of Our Own Introduction

\* \* \* \* \*

#### THREE NEW EARLY FLOWERING SPENCER SWEET PEAS OF MERIT

**"EARLY AMETHYST,"** a very fine purple identical in color to the popular late flowering Royal Purple. This is a valuable addition in color to the early varieties.

Price per  $\frac{1}{4}$  lb. \$3.00 per lb. \$10.00.

**"EARLY AVIATOR,"** dazzling crimson scarlet. This is the finest crimson scarlet in the Early Spencers that has been introduced to date, is sunproof and very free blooming. A great improvement on all existing varieties.

Per  $\frac{1}{4}$  lb. \$4.00 per lb. \$15.00.

**"EARLY OTHELLO,"** a fine deep maroon identical in color to the late flowering Othello and is another valuable addition to the color range of the Earlies. Per  $\frac{1}{4}$  lb. \$3.00, per lb. \$10.00.

#### The First of a New Race

**"CUPID SPENCER MIDSHIPMITE,"** a very pretty cupid sweet pea in the Spencer form having the low compact habit of the old cupids, growing only four inches high and forming a plant eighteen inches in diameter.

The blossoms are closely spaced four on a stem and are large and frilled, colored white, suffused and edged violet blue. On account of its being a very shy seeder it blooms nearly the whole season through. Per oz. \$1.75,  $\frac{1}{4}$  lb. \$6.00, per lb. \$20.00.

**"TWILIGHT,"** a pretty and distinct new standard Spencer with an appropriate name. The coloring is deep cream with a soft flushing and shading of violet-mauve in the centre of the standard. One of the largest flowered and most frilled of all varieties and very vigorous. A soft and very dainty combination of color. While this variety was not originated by us, we have grown it for the past two years in our trial grounds and have been given permission by the originator, a noted English raiser of new varieties, to offer it to the trade. Price per oz. \$1.00,  $\frac{1}{4}$  lb. \$3.00, per lb. \$10.00.

## NOVELTIES

### Novelties of Our Own Introduction

\* \* \* \* \*

#### A NEW LARKSPUR

##### DOUBLE STOCK FLOWERED TALL "EXQUISITE."

The color of this charming new Larkspur is a beautiful soft pink and will be highly desired by seedsmen who cater to the florists trade. Price per  $\frac{1}{4}$  lb. \$1.50, per lb. \$5.00.

### Novelties of Our Own of Recent Introduction

##### "ESCHSCHOLTZIA HYBRIDA GRANDIFLORA MIXTURE,"

New large flowering erect type containing a large percentage of new colors in Eschscholtzias and includes, soft pink, scarlet, chrome copper red, mauve, claret and royal purple. When in bloom this mixture is most gorgeous. Per  $\frac{1}{4}$  lb. \$0.90, per lb. \$3.00.

"VERBENA HYBRIDA LUCIFER," Intense brilliant scarlet with no eye. A great improvement on Scarlet Defiance. Price per  $\frac{1}{4}$  lb. \$3.00, per lb. \$10.00.

COSMOS EXTRA EARLY, MAMMOTH FLOWERING, In separate colors of "WHITE," "PINK," "CRIMSON." As a result of continued selection for earliness and size this strain of Cosmos has been placed in a class by itself. The blossoms under ordinary field cultivation average four to five inches across, surpassing in size any of the late varieties. From seed sown in the open ground, the "WHITE" blossoms in exactly sixty days, the PINK" in sixty five days and the "CRIMSON" in seventy days. Price per  $\frac{1}{4}$  lb. \$0.60, per lb. \$2.00.

CANDYTUFT "GIANT HYACINTH FLOWERED EXTRA SELECT," A very select strain worked up by us from a single plant selection made in 1916. This parent plant threw ten perfect spikes, but the average from the offspring is six and seven. We believe this to be the finest strain of this variety offered. Price per  $\frac{1}{4}$  lb. \$0.60, per lb. \$2.00.

## SPECIALTIES

**"ALYSSUM PROCUMBENS,"** Carpet of Snow. A very select strain grown by us with the greatest of care, habit two and a half inches high and about twelve to eighteen inches in diameter and has the appearance of a nice flat pancake. The blooms are massed completely hiding all foliage and a field of this in bloom has the appearance of being covered with snow. Price per  $\frac{1}{4}$  lb. \$0.75, per lb. \$2.50.

**CALENDULA "ORANGE KING,"** double, dark orange red, a very select strain grown by us with the greatest of care for our customers in the seed trade who make a specialty of catering to the florist trade. The plants in the open ground under ordinary field cultivation attain a growth of eighteen inches high and produce blossoms three and a half inches in diameter. What they will do under intensive hot house culture can be left to the imagination. Price per  $\frac{1}{4}$  lb. \$0.30, per lb. \$1.00.

**CALENDULA "LEMON QUEEN,"** double, bright sunflower yellow. We believe this should be equally as popular as the Orange King as it has the same habit of growth and the blooms are fully as large being three and a half inches in diameter. These two varieties produce the largest blooms of any of the Calendulas. Price per  $\frac{1}{4}$  lb. \$0.20, per lb. \$0.75.

**PETUNIA "ROSY MORN,"** compact, extra select strain grown from carefully selected plants. Price per  $\frac{1}{4}$  lb. \$4.00, per lb. \$15.00.

**SCHIZANTHUS "GARAWAY'S HYBRIDS,"** a splendid strain with large blooms producing an endless variety of color. Price per oz. \$2.00, per  $\frac{1}{4}$  lb. \$7.00, per lb. \$25.00.

**NASTURTIUM TOM THUMB, "EMPRESS OF INDIA,"** a very select strain of this popular dwarf dark scarlet variety, with extra dark leaves. Price per lb. \$0.55.

## SEED GROWING CONTRACT

**This Agreement**, Made in duplicate this .....day  
of .....by and between **THE L. D. WALLER SEED**  
**CO.**, of Guadalupe, California, party of the first part, and

.....  
of .....

the part.....of the second part.

**WITNESSETH:** That for and in consideration of the cov-  
enants hereinafter entered into by the said party of the first  
part, said part.....of the second part does hereby pur-  
chase of said party of the first part the quantities and varieties  
of seeds herein named, and agrees to pay therefor at the prices  
attached to the seeds contracted herein on a basis of sixty days  
net acceptance from date of shipment, or 2 per cent discount  
if paid on receipt of goods.

Said first party in consideration of the foregoing does  
agree to cause to have planted sufficient seed or roots to  
ordinarily produce the quantities of seed named herein and  
amounts set opposite each variety below contracted, provided  
the season permits the growing of same, but in event of short crops  
will fill pro rata only, then such quantity or quantities will be  
accepted by the second party on the terms, conditions and stip-  
ulations herein outlined and set forth as a complete fulfillment of  
the contract herein entered into; to deliver said seed f. o. b. cars  
nearest California point with the conditions being expressly  
understood and agreed to by both parties to this contract.

Shipment to be made as soon as possible after the harvest  
of.....crops.

Bags and containers will be charged at cost.

It is further agreed by both parties hereto that said party  
of the first part gives no warranty, express or implied, as to de-  
scription, quality, productiveness, or any other matter pertain-  
ing to the seeds herein contracted, said seeds being sold under the  
usual seedman's disclaimer and that this order is taken subject  
to the approval of, and confirmation of **THE L. D. WALLER**  
**SEED CO.**, by an authorized officer thereof.
